ORDER:

The Special Commissioner of Technical Education, A.P., vide his letters Dt.2.7.16 and 21.3.17 has stated that that the Principal, Government Polytechnic for Women, Kadapa, submitted detailed estimates for (1) Extension of Dining Hall (7.7m x 9m) with an estimated cost of Rs.35.00 Lakhs, as the dining hall was originally designed for 80 students only, but nearly 500 students are presently boarding at college attached hostel. Due to inadequacy of the space the usual practice is that, the students are allowed to carry the food outside and to their respective rooms which is creating unhygienic conditions in the premises of the hostel and there is no control for the management to ensure that the food is served properly and equitably to all the students, and hence the extension of dining hall will serve the purpose to the large extent and (2) Extension of new hostel Block at first floor with an estimated cost of Rs.65.00 Lakhs, stating that at present nearly 500 students are boarding in the hostel in two blocks with 45 rooms (5.3m x 5.8m size 30 Rooms in A- Block (old) and 4.28m x 5.54m size 15 Rooms in B- Block (new). Students to the extent of 10- 12 are accommodated in each room which results in congestion leading to unconducive atmosphere for studies. With the construction of extension of the hostel block, the congestion could be reduced to a certain extent through not completely. The inadequacies could be addressed with construction in a phased manner. He has requested the Government to accord administrative sanction for the above works, and to entrust the work to the Executive Engineer, APEWIDC, Kadapa.

2. Govt. after careful examination of the matter, hereby accord administrative sanction (1) for construction of additional dining hall @ Rs.35.00 Lakhs, and (2) for extension of Hostel Block- B in first floor @ Rs.65.00 Lakhs, i.e a total amount of Rs.100.00 Lakhs, in Government Polytechnic for Women, Kadapa under the Head of A/c 4202- 02- MH- 104-GH- 11- SH- 74- 530/531 (Plan) in the B.E. 2017- 18, and to entrust the works to Executive Engineer, APEWIDC, Kadapa.

3. The Spl. Commissioner of Technical Education, A.P., Vijayawada, shall take further action accordingly, and send proposals for releases based on the progress of works.

4. This order issues with the concurrence of Finance (FMU. Education) Department vide their U.O. No.41023/2/2016- FMU.(Edn.), Dt.06.07.2017.
